

FACTS & FIGURES

for the fiscal year 2022

Janoschka, a family run company, is an international player providing integrated pre-press solutions for the FMCG packaging market. Janoschka offers products, services and solutions along the packaging supply chain from packaging design up to printing consulting.

Our Teampreneur philosophy incorporates to combine the good ideas of individuals with the strength of a team. By taking customer orientation to the next level of team orientation, we develop solutions and implement them together with our customers and partners.

PACKAGING SUPPLY CHAIN

With its integrated solutions Janoschka covers the whole packaging value chain and mediates between the diverging interests of creative brand development and industrial packaging printing. With our integrated portfolio of graphic services, tooling and services, packaging projects are perfectly implemented for consistent printing.

TOTAL GROUP SALES 2022 (including Janoschka and Linked2Brands)

Europe remains the top-selling market. In the emerging regions of Asia and Latin America, Janoschka's business is constantly growing.

CORPORATE SOCIAL RESPONSIBILITY

A responsible approach to nature and humankind is an indispensable and natural part of our corporate culture. Respectful behaviour determines our strategic alignment with the goal of long-term growth in value. By doing so we protect the health of our employees, secure the continued existence of the industry and contribute to the maintenance of an environment that is worth living in.
